

LEASYSGO! TAKES OFF WITH THE “SHUTTLE SERVICE” CONNECTING TURIN, MALPENSA AND CASELLE AIRPORTS

- **LeasysGO! launches the new “shuttle service”, enabling customers to take an electric New 500 in sharing at a competitive price for trips in both directions connecting Turin to Milano Malpensa and Torino Caselle airports.**

Turin, 5 February 2021

A few weeks after its launch, **FCA Bank** and its **Leasys** subsidiary expand the reach of **LeasysGO!**, the first sustainable car sharing devoted to the electric New 500, by introducing the new “shuttle service” to connect **Turin to Milano Malpensa and Torino Caselle airports.**

In particular, with the “shuttle service”, customers will be able to rent a New 500 from the LeasysGO! fleet in Turin and travel to **Milano Malpensa or Torino Caselle**, dropping off the car at the **Leasys Mobility Store** located in the airports, which are fully electrified. The service is available also from Milan to Turin, on the way back from a trip.

The electric 500 with which to travel to Malpensa or Caselle can be picked up from any point within the Municipality of Turin at **no extra cost**. The time necessary for the full journey, which last 90 minutes on average to Malpensa, or 30 minutes to Caselle, will be applied to the monthly allotment of 120 minutes available for €19.99 a month. For customers who have already used the monthly allotment, the cost will be €0.29 per minute, with a maximum daily cost of € 43.5.

After connecting Turin to Malpensa airport, in 2021 LeasysGO! will launch in **Milan** and then in **Rome, Valencia, and Lyon.**

Leasys

Leasys, a Stellantis Brand, and a subsidiary of FCA Bank, a 50:50 joint venture between Stellantis and Crédit Agricole, was established in September 2001. Leasys offers a complete and innovative system of mobility services to individuals, professionals and businesses of all sizes: from short, medium and long-term rentals to peer-to-peer car sharing via the U Go platform and I-Link. At the end of 2019, it launched the first car subscription service in Italy with CarCloud. With the Clickar brand, Leasys is also one of the leading Italian online and offline retailers of pre-owned company cars to individuals, professionals and companies. Headquartered in Italy, Leasys began a process of internationalisation in 2017 by opening multiple offices throughout Europe: today the company operates in Spain, France, the United Kingdom, Germany, Belgium, the Netherlands and Poland, managing a fleet that will have over 400,000 vehicles by the end of 2021. In June 2019, the company launched the Leasys Mobility Stores, physical outlets with a grassroots presence across Italy. Now also available in France, the stores offer customers access to all the mobility services provided by Leasys. The stores, where customers can access all the mobility services provided by Leasys, will be available shortly also in the European countries where the company is operational. With the recent launch of the first totally electrified Mobility Store in Torino Caselle airport, Leasys is on track to become a key operator also for sustainable mobility. In fact, thanks to the installation of over 1,200 charging stations in all the stores, at the end of 2020, Leasys had Italy's largest private electrified. In 2021, the electrification project will continue also in the European countries in which Leasys operates. For more information: www.leasys.com
