

LEASYS UNLIMITED IS HERE: SUSTAINABLE MOBILITY HAS NO LONGER ANY LIMITS

- **Leasys Unlimited is the new long-term rental dedicated to hybrid and electric models of the Stellantis Group: no down payment, unlimited kilometers and recharges.**
- **The contract includes all services, from insurance coverage to roadside assistance, to the e-Mobility card, to access to an extensive free recharging network at the Leasys Mobility Stores.**
- **The launch is planned in Italy and will be completed in all other European countries in which Leasys is operational by early July**

Rome, 13 May 2021

Starting today, no more limits for **Leasys's** sustainable mobility. The Company, a **Stellantis** brand and a subsidiary of **FCA Bank**, launches **Leasys Unlimited**, the innovative long-term rental service devoted to the hybrid and electric models of the Stellantis Group, designed to provide a complete and totally hassle-free driving experience. With Leasys Unlimited, in fact, the first trip will be one toward freedom: **no down payment, unlimited kilometers and recharges at the Leasys Mobility Stores without limits.**

Moreover, Unlimited contains in a single formula all the services necessary to experience rental without the concerns related to the management of the car: from **insurance coverage** (third-party liability [RCA], theft and fire, damage repair) to **roadside assistance**, to **routine and non-routine maintenance**, to **the I-Care** infomobility system, in order to monitor the state of the car from a remote location. In addition, there is the **Leasys Umove app**, which brings all the services of the Leasys world within your mobile reach.

With the launch of Unlimited, Leasys takes a step further in promoting more sustainable mobility with a low environmental impact, combined with the many benefits of electric rental. These include the **e-Mobility Card**, which can be used to recharge vehicles at the stations of the EnelX public network or, at no cost, at the Leasys Mobility Stores, and the cables necessary for **home and public charging**. This without mentioning the **e-Parking service**, which allows access to an extensive network of charging stations at the Leasys Mobility Stores, located in the main cities, train stations and airports and easily identifiable thanks to the UMove app.

The product is active as of today in Italy, France, Spain, Belgium, Portugal while by June it will be available in the UK, to be followed in early July by Poland, the Netherlands and Denmark.

Leasys

Leasys, a Stellantis Brand, and a subsidiary of FCA Bank, a 50:50 joint venture between Stellantis and Crédit Agricole, was established in September 2001. Leasys offers a complete and innovative system of mobility services to individuals, professionals and businesses of all sizes: from short, medium and long-term rentals to peer-to-peer car sharing via the U Go platform and I-Link. At the end of 2019, it launched the first car subscription service in Italy with CarCloud. With the Clickar brand, Leasys is also one of the leading Italian online and offline retailers of pre-owned company cars to individuals, professionals and companies. Headquartered in Italy, Leasys began a process of internationalisation in 2017 by opening multiple offices throughout Europe: today the company operates in Spain, France, the United Kingdom, Germany, Belgium, the Netherlands and Poland, managing a fleet that will have over 400,000 vehicles by the end of 2021. In June 2019, the company launched the Leasys Mobility Stores, physical outlets with a grassroots presence across Italy. Now also available in France, the stores offer customers access to all the mobility services provided by Leasys. The stores, where customers can access all the mobility services provided by Leasys, will be available shortly also in the European countries where the company is operational. With the recent launch of the first totally electrified Mobility Store in Torino Caselle airport, Leasys is on track to become a key operator also for sustainable mobility. In fact, thanks to the installation of over 1,200 charging stations in all the stores, at the end of 2020, Leasys had Italy's largest private electrified. In 2021, the electrification project will continue also in the European countries in which Leasys operates. For more information: www.leasys.com
