Turin, 20 October 2021

At the 7th edition of the **Motor Finance Europe Awards 2021**, which took place yesterday in Munich, Germany, **FCA Bank** was awarded the "**Best Finance Product of the Year**" and the "**Best Mobility Solution**". The first prize was awarded for **FCA Bank's GO4xe** financing product for Plug-in Hybrid vehicles, and the second for Leasys's innovative eco-sustainable car sharing scheme, **LeasysGO!**. The event, sponsored by the UK's Motor Finance magazine, brought together leading international car finance players from across Europe to celebrate the most innovative initiatives and meet key challenges in the sector.

Giacomo Carelli, CEO and General Manager of FCA Bank, spoke at the opening ceremony delivered the keynote address entitled "*Making the switch to electric mobility in the Motor Finance industry*" at the opening ceremony, illustrating the new financing solutions for electric vehicles and how these solutions can fulfil the needs of consumers sensitive to increasingly green mobility, using hybrid and electric models.

Juan Manuel Pino, Head of Sales & Marketing and CSR at FCA Bank, also attended the event and collected the two coveted awards during the ceremony.

The Motor Finance Awards are organized in partnership with BDA (Banken der Automobilwirtschaft), the association that brings together the captive banks of all major car manufacturers in Germany. Through various live presentations, case studies, debates and panel discussions, this year's edition offered a valuable opportunity to discuss the future of mobility in Europe.

FCA Bank

FCA Bank S.p.A. is a bank engaging mainly in car finance, with the aim to meet all mobility requirements, including through the rental services of its Leasys S.p.A. subsidiary. It is an equally-held joint venture between the global automotive company Stellantis and Crédit Agricole, leader in consumer credit. FCA Bank S.p.A. provides financing products to drive the sales of prestigious car brands in Italy and in Europe. The loan, lease, rental and mobility financing programs provided by FCA Bank S.p.A. are specifically designed for dealer networks, private customers and corporate fleets. FCA Bank S.p.A. is operational in 17 European countries and in Morocco, directly or through branches. At 31 December 2020, FCA Bank had a total loan and lease portfolio of approximately €26.2 billion. For more information: www.fcabankgroup.com

Leasys

Leasys, a Stellantis Brand and a subsidiary of FCA Bank, a 50:50 joint venture between Stellantis and Crédit Agricole, was established in September 2001. Leasys provides a complete and innovative system of mobility services to individuals, professionals and businesses of all sizes: from short-, medium- and long-term rentals to peer-to-peer car sharing via the U Go platform and I-Link. At the end of 2019, it launched the first car subscription service in Italy with CarCloud. With the Clickar brand, Leasys is also one of the leading Italian online and offline retailers of pre-owned company cars to individuals, professionals and companies. Headquartered in Italy, Leasys began a process of internationalization in 2017 by opening multiple offices throughout Europe: today the company operates in Spain, France, the United Kingdom, Germany, Belgium, the Netherlands, Portugal, Denmark, Greece, Austria, and Poland, managing a fleet that will have over 400,000 vehicles by the end of 2021. In June 2019, the company launched the Leasys Mobility Stores, physical outlets with a grassroots presence across Italy. The Stores, which provide customers access to all the mobility services provided by Leasys, are now available in France and Spain as well and will open soon also in the other European countries where the company is operational. With the launch of the first totally electrified Mobility Store in Torino Caselle airport in 2020, followed by many others, Leasys has become a key operator also for sustainable mobility. In fact, thanks to the over 1,000 charging stations installed in all the stores, Leasys has Italy's largest private electrified network. In 2021, the electrification project will continue also in the European countries in which Leasys operates.
