Rome, 3 February 2022

With a 22.7% market share, **Leasys**, the Stellantis brand specializing in long-term rental, is **sector leader in Italy for the third consecutive year**, as well as one of the main operators in Europe. In fact, also this year **the company ranks first in the league table of NLT** companies prepared by Dataforce¹, on the basis of data provided by the Italian Ministry of Infrastructure and Sustainable Mobility.

Despite the very difficult period for the entire automotive sector, the brand saw an increase of **over 11,000 registrations, or 24.67%, compared to 2020**. A positive trend in both passenger cars and light commercial vehicles that reinforces Leasys's leadership and allows it to look to 2022 as a year of continued growth.

Leasys has solidified its leadership by sticking to its calling as a mobility pioneer, which has enabled it to develop **innovative, flexible and increasingly integrated solutions**, from the pay-per-use formula of Leasys Miles to the unlimited kilometrage plan of Leasys Unlimited, to corporate car sharing by I-Share. Leasys confirms its position as market leader with solutions that pay special attention to environmental issues, thanks to a wide selection of hybrid and electric vehicles.

Leasys

Leasys, a Stellantis Brand and a subsidiary of FCA Bank, was established in September 2001. Together with Leasys Rent, Leasys provides a complete and innovative system of mobility services, ranging from short-, medium- and long-term rentals to peer-to-peer car sharing via the U Go platform and I-Link. At the end of 2019, Leasys Rent launched the first car subscription service in Italy with CarCloud. With the Clickar brand, it is also one of the leading Italian online and offline retailers of pre-owned company cars to individuals, professionals and companies. Headquartered in Italy, Leasys began a process of internationalization in 2017 by opening multiple offices throughout Europe: today the company is present in Spain, France, the United Kingdom, Germany, Belgium, the Netherlands, Portugal, Denmark, Greece, Austria, and Poland, operating a fleet that at the end of 2021 had over 450,000 vehicles. In June 2019, thanks to Leasys Rent, the company launched the Leasys Mobility Stores, physical outlets with a grassroots presence across Italy. The Stores, which provide customers access to all the mobility services provided by Leasys and Leasys Rent, are now available also in France, Spain, United Kingdom and Portugal and will open soon also in the other European countries where the company is operational. With the launch of the first totally electrified Mobility Store in Torino Caselle airport in 2020, followed by many others, Leasys Rent has become a key operator also for sustainable mobility. In fact, thanks to the over 1,000 charging stations installed in all the Stores, Leasys has Italy's largest private electrified network. In 2022, the electrification project will continue also in the European countries in which Leasys Rent operates. For more information: www.leasys.com
