- **Launched Leasysrent.com, the new pan-European portal, for short- and medium-term rentals. Online booking available in Italy, France, Spain, Germany, Austria, Belgium and the Netherlands.**
- **New features include, among others, the interactive map with specific information for every city and the “Special Offers” section, with direct links to the various markets.**

Turin, 21 December 2020

Leasys, a subsidiary of FCA Bank and leader in 360-degree mobility, launches the **Leasysrent.com** portal, thus extending to Europe short- and medium-term rentals that can now be fully managed online. Thanks to the new portal, which goes live on 21 December, users will be able to book vehicles in **Italy, France, Spain, Germany, Austria, Belgium and the Netherlands**. By 2021, online booking will be made available also to the other European markets in which Leasys is operational, that is United Kingdom, Poland, Denmark and Portugal.

In addition to the internationalization of the services provided, the Leasysrent.com site features new graphic design and contents, conceived to meet European customers' requirements, from the **interactive map**, with specific information for every city in which the service is available, to the **“Special Offers” section**, which gathers the best offers available for every country.

In **Italy, France and Spain** – countries where Leasys has a direct presence – short- and medium-term rentals will be provided through the **Leasys Mobility Stores**, the physical locations where access can be gained to all the mobility services provided by the company. In the other countries, the services will be made available through FCA dealers.

FCA Bank

Leasys

Established in September 2001, Leasys SpA is a wholly owned subsidiary of the FCA Bank Group, a 50:50 joint venture between FCA Italy SpA and Crédit Agricole Consumer Finance. Leasys offers a complete and innovative system of mobility services to individuals, professionals and businesses of all sizes: from short, medium and long-term rentals to peer-to-peer car sharing via the U Go platform and I-Link. With Clickar, a house brand, Leasys is also one of the leading Italian online and offline retailers of pre-owned company cars to individuals, professionals and companies. Headquartered in Italy, Leasys began a process of internationalisation in 2017 by opening multiple offices throughout Europe: today the company operates in Spain, France, the United Kingdom, Germany, Belgium, the Netherlands, Portugal, Denmark and Poland, managing a fleet of approximately 350,000 vehicles. Launched in June 2019, the Leasys Mobility Stores already have a grassroots physical presence across Italy. Now also available in France, the stores offer customers access to all the mobility services provided by Leasys. The stores, where customers can access all the mobility services provided by Leasys, will be available shortly also in the European countries where the company is operational. With the recent launch of the first totally electrified Mobility Store in Torino Caselle airport, Leasys is on track to become a key operator also for sustainable mobility. In fact, thanks to the installation of over 1,200 charging stations in all the stores by the end of 2020, Leasys will have Italy's largest electrified network. In 2021, the electrification project will continue also in the European countries in which Leasys operates.
