Turin, 23 June 2021

Leasys, a **Stellantis** brand and a subsidiary of **FCA Bank**, continues to grow in Europe and announces the **opening of CarCloud in Spain**. The innovative car subscription, which can be managed entirely online, makes its debut in Spain with **four packages: Urban** (Fiat 500 Hybrid, Peugeot 208, Citroën C3), **Life** (Fiat Tipo, Peugeot 2008), **Family** (Opel Grandland, Peugeot 3008), and **Hybrid** (Jeep® Renegade and Compass PHEV).

Spain thus becomes the third European country where Leasys CarCloud is operational. The service, inspired by the subscription economy, was **the first car subscription in Italy**, where it has been highly successful since its launch in October 2019. In fact, to date it has attracted over 16,000 subscribers and boasts 12 different plans, including the recent e-CarCloud brand, dedicated to electrified models. In November 2020, CarCloud also launched in France with various packages, confirming its position as one of the most popular services for local private individuals and freelance professionals.

A significant result, determined by the flexibility of the subscription, which is renewable monthly (up to a maximum of 12 months) and can be managed online, as well as the wide variety of vehicles. In addition, there are no penalties for cancellation, representing the ideal solution for carefree mobility in Spain, a country that has long since reopened to international tourism.

Leasys

Leasys, a Stellantis Brand and a subsidiary of FCA Bank, a 50:50 joint venture between Stellantis and Crédit Agricole, was established in September 2001. Leasys offers a complete and innovative system of mobility services to individuals, professionals and businesses of all sizes: from short, medium and long-term rentals to peer-to-peer car sharing via the U Go platform and I-Link. At the end of 2019, it launched the first car subscription service in Italy with CarCloud. With the Clickar brand, Leasys is also one of the leading Italian online and offline retailers of pre-owned company cars to individuals, professionals and companies. Headquartered in Italy, Leasys began a process of internationalization in 2017

by opening multiple offices throughout Europe: today the company operates in Spain, France, the United Kingdom, Germany, Belgium, the Netherlands, Portugal, Denmark and Poland, managing a fleet that will have over 400,000 vehicles by the end of 2021. In June 2019, the company launched the Leasys Mobility Stores, physical outlets with a grassroots presence across Italy. The Stores, which provide customers access to all the mobility services provided by Leasys, are now available in France as well and will open soon also in the other European countries where the company is operational. With the launch of the first totally electrified Mobility Store in Torino Caselle airport, Leasys is on track to become a key operator also for sustainable mobility. In fact, thanks to the installation of over 1,200 charging stations in all the stores, at the end of 2020, Leasys had Italy's largest private electrified network. In 2021, the electrification project will continue also in the European countries in which Leasys operates. For more information: www.leasys.com
