

NITTO ATP FINALS: THE ELECTRIC MOBILITY OF PEUGEOT, SPONSOR OF THE EVENT, SUPPORTED BY LEASYS

The company will support the PEUGEOT brand with short-term and long-term rental and car sharing solutions for tennis fans and Nitto ATP Finals ticket holders.

Turin, 11 November 2021

During the **Nitto ATP Finals** in Turin, **Leasys**, a Stellantis brand and a subsidiary of FCA Bank, will support **PEUGEOT**, sponsor of the event, with its electric mobility solutions dedicated to tennis fans and tournament ticket holders.

In particular, ticket holders will be able to rent a fully electric **PEUGEOT e-208**, at the symbolic price of €5 per day, and charge it for free with the Leasys e-Mobility card at the participating Leasys Mobility Stores.*

Tennis fans, on the other hand, will be able to drive a PEUGEOT e-208 with a 48-month contract at €349 per month including VAT, with the **Leasys Miles** pay-per-use formula and 1,000 km already included in the rental fee. Alternatively, with **Noleggio Chiaro**, the solution that allows customers to know from the start the purchase price of the car at the end of the rental period, they can rent it for €399 per month including VAT for 36 months and 45,000 km with a down payment of €7,900 including VAT.

In addition, during the tournament, the fleet of **LeasysGO!**, the electric and eco-friendly car sharing service, will add **thirty PEUGEOT e-208s**. In addition, new customers will be able to take advantage of the benefits of annual membership, for €1.99 instead of €19.99. Leasys will also manage the hospitality service in the Pala Alpitour area, with drivers & shuttle service, with a fleet of 12 PEUGEOT e-Traveller 100% electric minivans.

Leasys

Leasys, a Stellantis Brand and a subsidiary of FCA Bank, a 50:50 joint venture between Stellantis and Crédit Agricole, was established in September 2001. Leasys provides a complete and innovative system of mobility services to individuals, professionals and businesses of all sizes: from short-, medium- and long-term rentals to peer-to-peer car sharing via the U Go platform and I-Link. At the end of 2019, it launched the first car subscription service in Italy with CarCloud. With the Clickar brand, Leasys is also one of the leading Italian online and offline retailers of pre-owned company cars to individuals, professionals and companies. Headquartered in Italy, Leasys began a process of internationalization in 2017 by opening multiple offices throughout Europe: today the company operates in Spain,

France, the United Kingdom, Germany, Belgium, the Netherlands, Portugal, Denmark, Greece, Austria, and Poland, managing a fleet that will have over 400,000 vehicles by the end of 2021. In June 2019, the company launched the Leasys Mobility Stores, physical outlets with a grassroots presence across Italy. The Stores, which provide customers access to all the mobility services provided by Leasys, are now available in France and Spain as well and will open soon also in the other European countries where the company is operational. With the launch of the first totally electrified Mobility Store in Torino Caselle airport in 2020, followed by many others, Leasys has become a key operator also for sustainable mobility. In fact, thanks to the over 1,000 charging stations installed in all the stores, Leasys has Italy's largest private electrified network. In 2021, the electrification project will continue also in the European countries in which Leasys operates. For more information: www.leasys.com
